

Your voice matters

Share ideas and meet new people

Hello! My name is **Casey**. I work at Portus to help you have your say. I am here to listen to you.

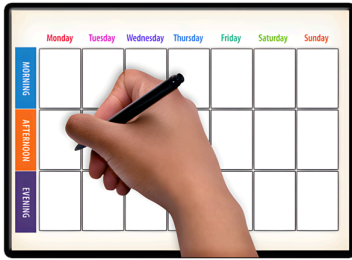

I want to invite you to get involved. You don't need any experience. You can choose how much you want to join in.

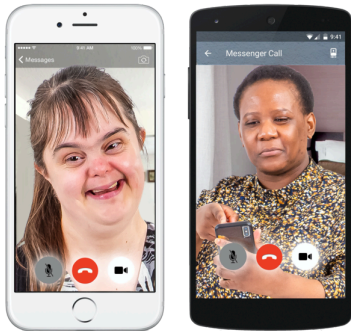

Getting involved means you can meet new people, share ideas, learn new skills, and make a difference.

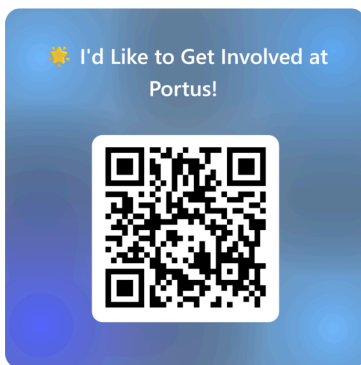

There are different ways to take part. You can choose what you like. You could join a group, share your ideas, come to events and activities and more.

You can choose how often you want to join in and be involved. It can be once, sometimes, or more often. It's up to you.

If you want to join, we can have a chat. We can talk about what you enjoy and how you might want to help.

If you are interested, you can scan the QR code and complete the form.

Or you can call me, send me a message, or ask someone to help you contact me.
